Advocacy and Third-Party Issues Seminar

EDUCATIONAL OBJECTIVES:
Dental benefits and third-party issues are typically rated as one of the most critical concerns confronting dentists. The SCDA staff often receive questions as to what the SCDA and ADA are doing to help dentists when it comes to working with dental benefit plans. The SCDA and ADA have been and continue to be extremely active in advocating for dentistry.

Registrants will learn what the ADA is doing at both the federal and state levels regarding proposed legislation. You will learn how to receive individual assistance and receive information on the many valuable resources the ADA has to assist and educate dental offices on dental benefits issues.

INSTRUCTORS:
Dennis McHugh
Dennis McHugh is the manager of the American Dental Association's Dental Benefit Information Service and works in the Practice Institute’s Center for Dental Benefits, Coding and Quality (CDBCQ).
