The Hobbs Group, PA has prepared the tax returns as requested in your engagement letter, based upon information and facts you furnished. We did not audit or review this information.

We would like to make you aware that there are many penalties imposed upon taxpayers for their failure to report income, or for their taking of deductions for which there is little or no support as required by the Internal Revenue Code and regulations.

The Internal Revenue Service has indicated that it intends to vigorously enforce tax compliance requirements. Return preparers are now required to advise clients of the contemporaneous record requirement and obtain written certification from them that such records exist; otherwise, a preparer is subject to penalties. As a result, we feel it is necessary to obtain a signed statement that the information submitted to our firm is complete and supportable by appropriate records. Part X - FASB ASC 740 Footnote

The Association has received a determination letter from the Internal Revenue Service (IRS) indicating it is a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code and is subject to federal income tax only on net unrelated business income. Management has determined that the Association has no current obligations for unrelated business income tax. Accordingly, no provisions for federal and state income taxes are required.

Part XIII Supplemental Information (continued)**Part X - FASB ASC 740 Footnote (continued)**

The accounting standard on accounting for uncertainty in income taxes addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under this guidance, the Association may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities, based on the technical merits of the position. Examples of tax positions include the tax-exempt status of the Association and various positions related to the potential sources of unrelated business taxable income (UBIT). The tax benefits recognized in the financial statements from such a position are measured based on the largest benefit that has a greater than 50 percent likelihood of being realized upon ultimate settlement. There were no unrecognized tax benefits identified or recorded as liabilities for the calendar year 2022.

The Association filed form 990 in the U.S. federal jurisdiction. The Association is generally no longer subject to examination by the Internal Revenue Service for years before 2019.
