SCDA Passes Teledentistry Legislation

By Dr. Carol Baker, SCDA President and Phil Latham, Executive Director

Calvin Coolidge once said *"Nothing in the world can take the place of persistence."* That is so true when thinking about the recent teledentistry legislation that the SCDA successfully passed at the end of the 2025-2026 Legislative session.

Teledentistry became a popular term during the COVID years when the service was allowed under a Governor's emergency order. As things transitioned back to normal, teledentistry was no longer allowed, but many states had enacted legislation.

The SCDA tried but due to several hurdles and the South Carolina Legislature working on telehealth legislation, we had to wait until later. An opportunity arose to start this process again in 2025 and with a lot of hard work and persistence, it all paid off.

There are tons of appreciation to spread around for passage of this bill, but first and foremost we want to recognize our Lobbyist Annie Wilson who tirelessly worked many different angle's as we got down to crunch time to get this legislation over the finish line. In addition, it would have never happened without two important phone calls made by Drs. Lynn Wallace and Ed Wise to key legislators.

You all have heard the SCDA speak about the importance of contact dentists, and this was never more needed than for this legislation. As the SCDA heads into the future there will be very important bills coming that may directly or indirectly affect dentists. That is why we need a contact for every state Senator and House member. In talking with Legislative Chair Dr. Deidre Crockett, there are several Senators and House members we do not have contacts for so if you know a legislator or want to get involved, please contact Phil Latham, lathamp@scda.org for more information.

Additional appreciation to the American Association of Orthodontists, the South Carolina Association of Orthodontists and Drs. Mark McInnis and Thomas Edmonds for detailed testimony.

You can read the [full law](#) but overall, this legislation: Aligns with and Clarifies Telehealth Law, Protects Patients While Allowing Innovation, Requires a Dentist-Patient Relationship, Strengthens Informed Consent & Transparency and Protects Patient Rights.

If you hold a current South Carolina Dental License and are available to provide fill-in or locum tenens work, please contact.

Sue Copeland at copelands@scda.org or 803-750-2277

National Council of Dentist Health Programs

Join the [National Council of Dentist Health Programs](#) Virtual Summit titled *Working Together to Support Dental Professionals and Keep Patients Safe*, on Friday, August 21, from 11:00 AM – 3:30 PM ET.

This timely program offers 4 CERP-certified CE credits and features nationally recognized experts in dentistry and medicine, including leaders from the CDP Dental Team Wellness Advisory Committee (DWAC).

You will gain practical insights on:

1. Strengthening early intervention and support pathways for dental professionals
2. Collaborating across dental societies, licensing boards, and health programs
3. Advancing systems that uphold the highest standards of patient safety

Designed specifically for dental leaders and volunteers engaged in professional health programs, this Virtual Summit will highlight how effective support systems are developed and sustained at the state and national levels.

Updates from the MUSC James B. Edwards College of Dental Medicine

By Dr. Sarandeep Huja, Dean, James B. Edwards College of Dental Medicine Medical University of South Carolina

It has been a busy spring at The James B. Edwards College of Dental Medicine (JBE CDM). We are beyond proud of our newest alumni. Congratulations to DMD 2026! We had a wonderful graduation celebration, and it was an honor to hear from SCDA President Dr. Carol Baker at our Honors Convocation and Hooding Ceremony. Dr. Tom Paumier, ADA President Elect addressed our graduates. Trustees Dr. Lemon and Dr. Davis also provided remarks on this occasion. DMD 2026 was comprised of 79 individuals, including one dual-degree graduate. The future plans of the class include immediate work in private practices, residencies, and military service. They are off to make an impact across our state and nation, and we are so grateful for their commitment and dedication to our college. They will be truly missed!

Ahead of May's festivities, our college's ASDA Chapter also hosted a Senior Banquet to celebrate our graduates and faculty. It was an incredible evening, and it was wonderful to have Dr. Baker, Dr. Millwood, Dr. Hall, and Dr. Ellis in attendance. It is with extreme gratitude that I write this message today to the SCDA and their continued generosity to our college and students. At the banquet, Dr. Mona Ellis announced a remarkable amount of scholarships (including \$87,500 through Member Benefits of SCDA and \$8,000 through SCDA District Scholarships).

Numerous other celebratory events we held in each advanced program and the JBE CDM also hosted a event to honor all graduating residents and students.

Two \$100,000 awards were also given out through the [SC AHEC Rural Dentist Loan Repayment Program](#). Dr. Charlotte Palmer, one of the \$100,000 recipients and also a recipient of a scholarship from the Central District, was featured in MUSC's Catalyst and will be on the news in the coming weeks sharing her journey. I'd encourage you all to read more about [Dr. Palmer](#) and her commitment to rural South Carolina: She truly is inspiring!

JBE CDM also welcomed DMD Class of 2030 on June 1 and are excited for the summer ahead.

Dr. James Lemon, Board of Trustees

Dr. Paul Davis, Board of Trustees

REFINING EXCELLENCE

Why a Medjet Membership is More Important than Ever

By Medjet, an SCDA Endorsed Company

As medical professionals, you know how important it is to be treated by physicians you trust in a facility you choose.

Yet many people, when faced with an accident or illness while traveling, find themselves stuck in a hospital far from home ~ at the mercy of health or travel insurance companies in determining the “acceptability” of a facility, and the “medical necessity” of a transfer home. Paying out of pocket for a transport can cost \$45,000-\$250,000.

Not being able to get to a home hospital of choice for treatment can present a myriad of issues:

- **Care that is unacceptable to you**
- **Language barriers** if your hospitalization occurs during foreign travel, making treatment decisions difficult;
- **Capping out on travel insurance medical benefits** and dealing with out-of-pocket payments and claims with an unfamiliar insurer;
- **The cost of having family members fly to your side** to serve as your patient advocate and moral support.

This is where air medical transport memberships like Medjet come in.

Unlike insurance, Medjet will move their member to a hospital of their choice in their home country ~ no “medical necessity” clauses, no “adequate facility” clauses.

If you travel frequently, alone for business or on vacations with your family, it is vital to understand the fine print of your health and travel insurance coverage when it comes to getting home:

Travel Insurance has limited Medical Evacuation benefits to the nearest adequate facility—and what is deemed “acceptable” is determined by the insurance company.

Credit Card Travel Benefits only (sometimes) cover the same type of medevac. If you read the underlying policy, it is typically to the “nearest adequate facility” with further movement only possible if deemed “medically necessary.”

Health Insurance, for domestic travel, may cover medevac to the nearest hospital but again, it won’t move you to one at home, just because you prefer to be moved closer to home.

Medjet Air Medical Transport Memberships are a (surprisingly affordable) program that you join prior to traveling, and if you are hospitalized more than 150 miles from your home address, domestically or internationally, you’re eligible for transport. If you are transported, there are no claim forms or bills, no out-of-pocket expenses to seek reimbursements for. You only ever pay your membership fee.

Travel Emergencies Are Not Always Medical

Given recent world events, it’s no wonder travelers are more concerned with their safety abroad than ever before.

A MedjetHorizon membership not only ensures air medical transport to a home hospital, it also adds access to a **24/7 global crisis response center**. If you were the victim of a violent crime, if a hurricane was coming, if you just disappeared...who would you or your family call for help? MedjetHorizon provides a coordinated, in-country security response, and security extraction if necessary, for a wide range of safety threats. It’s the ultimate travel peace of mind.

Over 10 million travelers are hospitalized abroad each year, and safety while traveling is a real concern. If the worst does happen, you will want to make sure you have the best options available for help.

SCDA Members receive a discount on Medjet Memberships. You can learn more about the program, and enroll at special rates, at [Medjet.com/SCDA](https://www.Medjet.com/SCDA). Or call 800.527.7478 and mention SCDA.

SCDA Foundation- 2026 ASDA Banquet

By Dr. Mona Ellis, SCDA Foundation Chair

Thank you so much for the generous scholarship! The financial burden of dental school combined with upcoming expenses of boards, residency applications, and interview travels has been greatly lifted by your gift. I am thankful for the work of the SCDA in supporting dental students financially and advocating for dentists throughout their careers. This scholarship has been a blessing to me as I continue my education!

Sincerely,
Grace McAboy
CO 2027

Zabec Family Fund

Did you hear about this fund? Kristen Zabec lost her dad at the beginning of her senior year (2025-2026). Due to her classmates generosity and spirit to help her through this difficult time, she and her family established an account to assist any D1-D4 student when a parent or sibling death occurs. Unfortunately one of her classmates lost his dad May 5 and now both will be without their dads at graduation May 16, 2026. Now the funds have been depleted and her yearly donation won't happen until April 2027. Please donate any amount you can to the Zabec fund to replenish this account and be ready to assist any other student going through this type of tragedy. Let's once again show our SCDA support for the students and thank the Zabec family for establishing this fund. Please make checks out the the SCDA Foundation with Zabec in the memo.

Malpractice insurance that's all about **you.**

As a dentist, you face unique challenges every day. That's why at MedPro Group, we created an industry-leading malpractice policy that keeps you safe.
Join the 45,000+ dental professionals who trust MedPro.

Get affordable coverage.

Your premium costs may be discounted for claims-free history, risk management CEs, part-time practice, and more. Plus, get stronger coverage with options like Occurrence policies and a pure consent clause — all designed to give you peace of mind at a fair price.

Practice more safely.

With 24/7 access to our free risk resources and on-staff experts, you and your practice will be better prepared for every day challenges. We don't just defend claims, we help you avoid them.

Protect your good name.

The average dentist is sued at least once in their career, which is why we're in your corner when it matters most. We lead the industry with a 95% dental trial win rate (plus 8 out of 10 claims close without payment).

SEEKING THREE MEMBER DENTISTS TO SERVE AS ALTERNATE DELEGATES TO THE ADA

SCDA members, this is your chance to take your volunteerism within dentistry to the national stage. As part of the SC-ADA delegation, you'll help shape policies and procedures that affect dentists and patients across the country.

Three Alternate Delegate At Large positions are open, with a one year term for 2027.

Applicants should demonstrate enthusiasm and support for the **SCDA**, its **mission**, **policies** and **procedures**. Candidates must comply with our conflict of interest policy and maintain objectivity during deliberations, regardless of personal preferences.

Candidates should display active or desired involvement with organized dentistry and a commitment to strengthening the presence and influence of SCDA. SC-ADA Delegates and Alternates are elected during SCDA House of Delegates this December.

Alternate Delegates will be asked to financially support ADPAC. The SCDA will reimburse travel expenses for required meetings.

All interested candidates should submit a letter of interest along with contact information and any questions to the SCDA Executive Director – lathamp@scda.org

SC-ADA Delegates and Alternates participate in approximately three to five Zoom meetings each year.

Delegates and Alternate Delegates are assigned to a Reference Committee, to become knowledgeable about specific resolutions and participating in associated calls and meetings.

SC-ADA Delegates and Alternates attend all meetings related to the 16th District Caucus (NC, SC, VA) and ADA House of Delegates, typically hosted in September and October.
